

## Our Success Starts with You!

At Healthmonix, we value each and every one of our trusted clients. From solo practitioners to large health organizations, we provide unmatched support services. In 2017 we processed 24,000,000 patient visits for 11,000,000 beneficiaries. We successfully submitted data from 233 different EHRs, leading to a 98.6% customer satisfaction rating. How did we do it? We simply put our clients first.
